The Chief Education Officer,
_____ (All)

Subject: Leadership training of HoIs under the approvals of Integrated AWP&B 2017-18.

Ref: Edu/SPD/RMSA/4184-4212/17

Dated 14-08-2017.

Madam/Sir,

Regarding the subject cited above, the Project Approval Board (PAB) MHRD GoI, has approved training of 1300 HoIs under Leadership Management Programme for the financial year 2017-18. The training has been scheduled with active technical support from Kaivaliya Education Foundation, Jhunjunoo Rajasthan as the state has signed MoU with the KEF for supporting development of school education sector in the State

2. Vide above referred reference you were requested to send the nomination of 10 Principal / Headmasters to this Directorate for selection of 5 Leadership facilitators who were planned to be trained at Jhunjunoo Rajasthan from 7th to 12th September, 2017 so that they can carry forward the training programme in their respective districts in a cascade mode for timely achievement of the targets.
3. Whereas one of the conditions maintained by this office regarding the nomination of the HoIs was that the nominated persons should not be at the verge of retirement or already trained at Jhunjunoo Rajasthan and ready to carry forward the training programme in their respective districts or at the State level as per their requirement.
4. Whereas districts Budgam, Samba, Rajouri and Kishtwar did not send the nominations within the allotted time. Some of the districts had deputed the HoIs who were already trained at Jhunjunoo Rajasthan a good number have submitted written representations that they are not medically fit for the programme and some have submitted various other reasons and a few are at the verge of retirement.
5. It is clear from the above references that no seriousness has been shown in the selection process and has been taken very lightly by the district authorities. It is also an indicator of the attitude and work and culture, behavior of the nominated persons who want to escape from the responsibilities. It will be a set back to the flagship programme working in the state for improvement in the quality of education by improving the skills of the teachers and the Head of the Institutions. This callous approach is definitely going to effect the Targets to be achieved as the said programme has been put at halt due to poor response.
